## Cats

Part of Nature Category of Honours

### Snapshot of Honour

Learn about the magnificent cat family - tigers, pumas, jaguars, cheetahs, leopards, lynxes and, of course, the king of beasts. Then there's your own pet pussy cat - and all the different breeds of cats. Have you ever wondered how cats can see in the dark, how their ears are protected or why they have whiskers. Cat's paws (and their teeth!), you say, they are used for wrecking things in your home - or is there more to it than this.

There are famous stories of the cat family in history and more importantly in the Bible. It's all in the Cats Honour.
