Snapshot of Honour

This honour is an introduction to String Art. String Art is all about creating fascinating 'masterpieces' using basic tools and readily available materials - pins, nails, flat boards and string. By string we mean anything that does the job of string - cotton thread, fine wire etc.

You'll learn about the effects of different angles - right angle, acute angle, obtuse angle. Then there's different stringing methods - filled circle, hollow circle, star, edging and filler to name just some.

As this is a hands-on honour, there's plenty of things to do to get you on the way to being a String Art artist and ready to try your hand at the advanced String Art 2 Honour.

Honour History:

Original Honour: 1975 Author/s not known
