Snapshot of Honour

What is it that stirs our souls when we see a formation of soldiers or a brilliant marching band perform? How is it that they can move together as one?

Drill and marching doesn't only apply to soldiers. It will develop your coordination, improve your physical development and encourage your self-confidence.

You'll learn the difference between walking and marching plus the correct way to give orders when drilling and marching. Then there's the secrets of moving together in a group or squad. You'll learn and execute drill and marching terms. So have heaps of fun and

QUICK MARCH!
