To be signed by Authorised Person (ie District Director for Pathfinders) after satisfactory completion. Leaders, please see the Assessment Sheet for a checklist of practical requirements and a short test to check knowledge of honour.

Date Patch Presented

Insects 1 Honour

Requirement 1: What are the distinguishing characteristics of an insect?

Please make brief notes.

| |
|--|
| |
|--|

Requirement 2: How are insects classified? List five orders of insects, giving a brief description of a species in each order. This may be done in conjunction with Requirement 6

Please make brief notes. Add pictures or sketches if you can.

| | <u>Order</u> | <u>Species</u> | <u>Brief Description</u> |
|----|--------------|----------------|--------------------------|
| 1. | | | |
| 2. | | | |
| 3. | | | |
| 4. | | | |
| 5. | | | |

Insects 1 Honour

Requirement 3: Name five species of useful insects.

| | <u>Species</u> | <u>How it is Useful.</u> |
|----|----------------|--------------------------|
| 1. | | |
| 2. | | |
| 3. | | |
| 4. | | |
| 5. | | |

Requirement 4: Name five species of injurious insects. Tell how they might be controlled or their damage minimised. What is the world's most deadly creature and why is it so dangerous?

| | <u>Species</u> | <u>How it is Injurious.</u> |
|---|----------------|-------------------------------|
| 1. | | |
| 2. | | |
| 3. | | |
| 4. | | |
| 5. | | |
| <u>How these Injurious Insects might be Controlled or their Damage Minimised.</u> | | |
| | | |
| <u>The world's most deadly creature</u> | | <u>Why is it so dangerous</u> |
| | | |

Insects 1 Honour

Requirement 5: Tell two Bible stories in which insects played an important role.

Insect Story 1

| | | | |
|---------------------------|--|------------------|--|
| Date told: | | Bible Reference: | |
| Story title: | | | |
| Brief details of story 1: | | | |

Insect Story 2

| | | | |
|--------------------------|--|------------------|--|
| Date told: | | Bible Reference: | |
| Story title: | | | |
| Brief details of story2: | | | |

Requirement 6: Do one of the following:

- a. Mount a collection of 20 species of insects representing at least six different orders. (no moths or butterflies and no carelessly mounted or broken specimens will be acceptable.)**

Note: This is the least preferred option by the SPD. Please see Requirements & Framework for full details

- b. Make coloured drawings or paintings of 20 species of insects, representing at least six different orders. Drawings or paintings need to be life size or larger, to show the details of small insects, and in natural colouring. Label the drawings with common names and genus or species level names.**

Please see over the page for Requirement 6b.

Insects 1 Honour

Requirement 6c: Take colour photographs of 20 species of insects, representing at least six different orders. All pictures should be in focus, close-ups and properly labelled, showing where photographed, the date photographed, common names and genus or species level names.

Note: Use this for Part b, which is shown on previous page.
