### Snapshot of Honour

SCUBA Diving offers an exciting and unique way to experience the under-water world.

To participate in this sport, you need specialist training that can only be provided by a qualified SCUBA Instructor. For this reason, the only way you can achieve the SCUBA Diving 1 Honour is to obtain your very own SCUBA Certification from a recognised training authority. Once you have it, your SCUBA Certification qualifies you to dive anywhere in the world. This will be hard to beat!

So contact your local SCUBA Diving Facility today for information and details to get started.
