

PATHFINDER SONG

VERSE 1

Running up the highway, following the Son
We are the future, a promise just begun
We're the next generation, tomorrow is in our hands
In a world of problems, we're going to make a stand

CHORUS

We're the Pathfinders, tomorrow is in our hands
In a world of problems, we're going to make a stand
We're the Pathfinders, believe us when we say
We're headed in the right direction, 'cause Jesus leads the way

VERSE 2

Jesus is my Friend, He's a true Companion
We are God's Explorers, Rangers for the Lord
Voyagers together, working side by side
No matter what the problem, God's going to be my Guide
