## Introduction

This Review Booklet has been designed to assess your knowledge of PUAOPE002 Operate Communication Systems and Equipment. It is essential that you read the Resource Material which you are required to know and understand in order to complete the Review Booklet. You may also draw on the Bible and your own personal experiences to complete this booklet.

This Review Booklet must be completed before taking part in the assessment for this unit.

Note: If you have any questions, please consult your District Director or your local Conference/Mission Youth Department.
